SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK
ON LICENSE 050089390

REF: 2006 BLUE LANTERN GUIDEBOOK

¶1. This is an Action Request. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Embassy's assistance in conducting a post-shipment check on license 050089390 for the export of F-16 and E2C spare component parts to Singapore. Embassy is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

¶3. Reason for request: Lack of documentation from the Republic of Singapore Air Force (RSAF), and need to verify its relationship with foreign consignee, ST Aerospace Systems.

¶4. ACTION: Embassy is requested to make inquiries with appropriate host government officials to determine if the RSAF has received the F-16 and E2C spare component parts from ST Aerospace Systems and that the articles are being used for the purpose stated on the license. Export data indicates that items worth \$9,338 shipped from the United States on March 22, 2008 and items worth \$4,426 shipped from the U.S. on April 9, 2008. Due to lack of documentation from the end user, post is requested to exercise its contacts within the RSAF to verify this order.
END ACTION.
